

## ALL BONDS WON'T BE SOLD AT ONCE

To Save Interest, Paper  
Will Be Marketed as  
Needed, Mayor Says

## PEOPLE BEHIND ISSUE

Evans Says Past Two Years  
of Administration Have  
Shown Much Progress

Although the Spavinaw bonds are being advertised for sale on March 21, the total amount of the bonds will not be offered for sale at that time, Mayor T. D. Evans said Monday. To avoid paying interest on the total \$4,000,000 issue, which would occur if full amount of bonds were sold at once, the bonds will be placed on the market as they are needed to pay the expense of the project. This will be an item of great saving in completing the project.

The sale of the bonds will be entirely in charge of the mayor and board of commissioners, but after the bonds have been reduced into money the water board will have money for the contracting for, and construction work of the project, Mayor Evans explained. The matter of whether the contracts and expenses shall be paid in actual money or in the bonds will be left up to the judgment of the water board. The contracts provide that the expenses shall be paid either by cash or in bond paper.

Referring to the added expense which would fall upon the city should the total bond issue be placed on the market simultaneously, Mayor Evans stated his opposition to the plan because of the added interest.

**Mayor States Position.**

"I am opposed to the sale of the bonds," he said, "except as the money is actually needed. There is no necessity of paying 5 or 5 1/2 per cent on money that is actually drawing only 3 per cent in the banks. The Tulsa banks really do not desire so large a sum of money placed on deposit here on which is paid 5 per cent interest. It would take them sometime to safely loan out such a large sum of money at this particular time."

"I do not favor any delay in the work on the Spavinaw project. The water board can best proceed with the plans and specifications, knowing that the bonds to pay for the work are in the city treasury. I think the bond market will get better. The bond market will command a fair premium when sold."

"Daily there are numerous inquiries concerning the bonds which keep pouring into the office here and I am giving out information concerning them as indicated in the foregoing."

In referring to the past two years' accomplishment of the present city administration, Mayor Evans said:

**Much Progress Made.**

"It is a pleasure in closing my term of office to know that the necessary charter amendments have been made and the water board established. The water bonds raised and lying in the city treasury ready to bring mountain water to Tulsa."

"The people have stood behind the administration in these great accomplishments with all loyalty and have made them possible by so doing. Great propositions like these are worthwhile and serve very materially to make an official believe that his time spent in public work has been worthwhile. As a city administrator we have stood on city building in the line of general public improvement. No other policy can long be sustained in a thriving city like the one in which we live."

## MILLER ANSWERS CRITICS

Says School Committee in St. Louis "Took Hold of a Hot Poker."

ST. LOUIS, March 20.—"The committee got hold of a hot poker. The more they held it the hotter it would get. They decided to let loose of it."

That was the comment of President Victor J. Miller of the board of police commissioners on the action of the Seldin high school parents' committee, in reporting that he, Miller, had "utterly failed to substantiate his charge that vice clubs existed, or are now in existence in the Seldin high school."

In its report made Sunday afternoon, the committee declared that Miller, when confronted with his failure to furnish proof, had "expressed regret and promised to make written retraction of his charges, only to change his mind the next day."

## Muncie, Indiana, Police Investigating Letters

MUNCIE, Ind., March 20.—The police were endeavoring today to learn if a Ku-Klux Klan is operating here and to learn if possible the authorship of two anonymous and threatening letters, one delivered to John R. Mole, night police captain, and the other to Daisy Dean, colored woman, who last December was among the 40 Muncie persons tried for alleged federal offenses in the federal court at Indianapolis. The two notes, delivered by a messenger boy who said he had received them from a stranger at the courthouse, were the typewritten words: "The eye of the Klan hath seen."

**THE TRIAL OF W. M. BYERS**, alleged auto thief, on a charge of stealing a Cadillac touring car last July from W. H. Horster, engineer, with offices in the Exchange National building, started before Judge Redmond S. Cole Monday. The car was recovered through the Tulsa police department at Poteau, where it had been sold to Kimon Economides. The state's case is being presented by John Goldsberry, assistant county attorney, and Byers is represented by W. L. Coffey, formerly assistant in the county attorney's office. The case is expected to conclude Tuesday afternoon.

**NEARLY 30 CHICKENS** are being held for identification at the sheriff's office. The chickens fell into the sheriff's possession Sunday when deputy sheriff arrested Tom Owens and R. S. Thorns. The two men were caught in "Little Africa" early Sunday morning with two coops and a gunny sack full of chickens. The men are being held in jail pending the filing of charges against them. It is believed by the sheriff that Owens and Thorns have been systematically pilfering hen roosts in the vicinity of Tulsa for several weeks.

**THE WOMAN'S Union Labor league** will hold its regular meeting at 2 o'clock Thursday afternoon at Carpenters new hall.

**DR. S. E. EWING**, who is superintendent of missions for the Baptists of St. Louis, will be the principal speaker at a big Baptist rally to be held at the First Baptist church Tuesday evening at 7:30. Dr. Ewing has been superintendent of missions for about 12 years and has accomplished a great work in St. Louis. There is a special program for the evening. Tickets were given out through all the Baptist churches Sunday. One interesting feature of the evening will be a booster band from the Trenton mission. Missionary Owen has been conducting a revival meeting. The public is cordially invited.

**EMPLOYEES OF THE Thomas Hardware company** were guests of the company Sunday in an outing trip to Spavinaw. They all returned much enthused over the prospect that soon this water will be flowing through the city mains.

boys' secretary and of Robert A. Russell as high school secretary. Seizer was formerly in charge of boys' work at the Central "Y" in St. Louis, with 800 boys in his charge, and after the destruction of that building by fire went to Denver as citywide employed boys' secretary. Seizer's work will include younger and older boys, newsboys, messengers and street boys. While Russell will direct all high school "Y" work, C. W. Blakey is executive head of the boys' department. There was an attendance of 2,475 at boys' activities during the month of February.

**To Celebrate With Track Meet.**

**PONCA CITY, March 20.**—April 22, the thirty-third anniversary of the opening of old Oklahoma to settlement, the third annual field meet for the rural and village schools of Kay county will be held at Marland field, this city. Letters were sent out today from the office of the county superintendent of schools announcing the date. The meet will start as usual with a kite-flying contest but all other events will be the regular track meet program. There will be four classes of boys competing—boys 10 years old and younger; between 10 and 12; between 12 and 15; and over 15. There were 16 schools entered in 1921 as against but 3 in 1920, and a total of 30 is anticipated for this year.

**Makes a Family Supply of Cough Remedy**

Really better than ready-made cough syrups and saves about 2¢. Easily and quickly prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better. Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break severe coughs. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. ## POST MYSTERY SIGN

**Hi-Y Members Excited in Anticipation of a Visit From the Distinguished Professor Spoof.**

A mysterious sign which has been on exhibition for some time in the boys' lobby of the Y. M. C. A. has attracted much attention and caused considerable discussion and questions. The poster reads:

"Coming—Professor Spoof, Hi-Y attraction." Many minds have been relieved now since Don Kirkpatrick, president of the Senior Hi-Y club has announced that Professor Spoof will be in the city on March 31 and April 1.

According to Kirkpatrick, Spoof will arrive at the Y. M. C. A. building Friday afternoon and will give a performance Friday evening at 8 o'clock. He will probably address the younger boys Saturday afternoon, and Saturday evening at 8 o'clock. Interested inquirers about Professor Spoof have expressed their doubts as to his mystic powers, for it is rumored that he is a hypnotist or something of the like. This entertainment is being staged under the auspices of the Hi-Y clubs of Tulsa and an admission fee of 25 cents is to be charged. The proceeds are to be paid to the "world outlook" committee's future programs of the Hi-Y clubs.

## MISSIONARY SOCIETY WILL BE IN CHARGE OF CENTENARY CELEBRATION TONIGHT

The missionary society of the Centenary Methodist church will have charge of the service at the church Tuesday evening, as its portion of the week's anniversary celebration of the church Mrs. J. A. Rice, wife of the Methodist pastor at Okmulgee, has been accorded as the chief speaker and her topic will be "Woman in the Home."

Young people of the senior Epworth league had oversight of the Monday evening entertainment, consisting of a program of music and readings and concluding in a social with a refreshment course. There was a good attendance at the special Sunday services, the Rowell Silver loving cup for the highest record in payment on building fund being given to the Lookout class, a class of early teen age girls taught by Mrs. W. O. Bettle.

## Yes, \$22.45 for a Battery with the famous PREST-O-PLATES

It is a top-quality battery, too, no special model. Better than those "just as good" boxes.

A real Prest-O-Lite, built around the famous Prest-O-Plates. The plates of unusual hardness, combined with peculiar porosity. The plates with ready power in winter and great, heat-resisting, non-buckling strength in summer.

The \$22.45 price is our trade-in price for a 6-volt battery for popular makes of light cars. We have correspondingly low prices for Prest-O
